Sir:

I beg to acknowledge receipt of your report dated the 13th. ultimo covering the E.½ of Section 2, Township 30, Range 10½ west of the 4th. meridian, and setting forth that there were thirty (30) acres of breaking on this land of no value when Mr. Daniel Heisenburger was granted entry. I find that my letter to you of the 10th. of October last calling for this report was in error in indicating that the entry of Mr. Heisenburger covered the E.½ of Section 2, the land should have been described as the S.E. of 1 and the N.E. of 35 in Township 29, Range 10. This error is regretted but as the records here show that there were no improvements on the latter mentioned quarter-section no further action is apparently required.

Sir:

Your letter of the 12th ultimo addressed to our Agent at Calgary has been forwarded to this office for our attention; and your claim that you are financially unable to make settlement of your account for seed grain, fodder and relief due this Department since 1915 has been noted.

In this connection it appears according to evidence on record that to this late date no payment has been made on account; and as the account has now been outstanding approximately eleven years, it is expected that you will endeavour to make at least a substantial payment to the credit of the same in the near future. Kindly advise by return mail when you intend doing so.

Re: Account of Daniel Weisenburger
S.E. 2-30-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $165.59 were advanced to Daniel Weisenburger on the security of the above mentioned land. A payment of $31.50 was received in 1916 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 135.59	$ 254.40	$ 389.99

Patent was issued in the name of Daniel Weisenburger for the S.E. 2-30-10-W4 on the 25th of July 1921, subject to the 1915 liens.

The land has since become subject to forfeiture proceedings for nonpayment of arrears of taxes and title has reverted to the Crown in the right of the Province.

This quarter section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Sir,

S.½ 7 - 23 - 10 - W. 4th M.

I beg to acknowledge the receipt of your letter of the 3rd instant, and in reply to say that in default of the performance of the required duties your homestead entry for the land above described was cancelled on the 24th of September, 1913, which action carried with it the cancellation of your pre-emption entry for the North West ¼ adjoining. This did not, however, exhaust your right and provided you are still otherwise eligible, and the Agent knows of no reason to the contrary, the presentation of this letter to any Agent of Dominion Lands will serve as his authority for granting you another entry for any available land on the ordinary terms.

Please note that if you are indebted to the Department for Seed Grain, you are only permitted to make a fresh entry subject to the transfer of such Seed Grain indebtedness to the land for which you may enter under the authority of this letter.

Your obedient servant,

Assistant Secretary.

This land is unalienated crown land occupied at present under a long farm grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of John Goodman
S.W. 7-23-10 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $68.70 were advanced to John Goodman on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$68.70	$126.89	$195.59

The S.W. 7-23-10 W. 4th Mer. was formerly the homestead entry of the debtor whose entry was cancelled on the 7th of June, 1921, and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 11th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Muncipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that indebtedness be cancelled.

Cancellation proceedings instituted on the 10th December, 1924, for non-payment. No defence filed.

Patent applied for, and Certificate of Recommendation issued which expired on the 29th November, 1922. That document is on file.

The Inspector in October, 1923, reported 50 acres broken on the pre-emption; 600 bushels of wheat which hardly paid expenses; balance of quarter is rough broken land; this man cannot pay anything.

The Inspector in October, 1924, reported 15 acres cropped that year; this man has left the farm and is not coming back; recommended cancellation and the land made available for leasing as it is too dry for farming although the area fit for cultivation is 100 acres.

Amount owing to the 1st November, 1924, with interest, $682.10.

Re: Account of C.H. Hess
N.W. 17-27-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $109.20 was advanced to C.H. Hess on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 109.20	$ 253.52	$ 362.72

The N.W. 17-27-15-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 25th of April 1925, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 10th of July 19[illegible], J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Pre-emption - D. F. Halley,
Date of entry - 10th January, 1920.

A Certificate of Recommendation issued in connection with the above pre-emption expired on the 23rd March, 1921, and has not been renewed.

Cancellation proceedings were instituted against the entry for non-payment on the 29th November, 1923.

The pre-emptor wrote the Department on the 21st December, 1923, from Duchess, Alberta, to the effect that he did not wish patent for the pre-emption, and that he would pay his indebtedness to the Department for Seed Grain as soon as possible.

The registration Abstract submitted by the Agent which is dated the 16th February, 1924, shows the entry clear of encumbrances, and in view of the pre-emptor's letter referred to above I recommend the cancellation of the entry forthwith.

Inspector Cloutier reported on the 9th October, 1923, that the soil is clay and stony. In view of the Inspector's report, and the description furnished by the pre-emptor - "that desert" - I would ask whether the Agent should be instructed to post the land for leasing for grazing purposes.

The land is in Area "B".

Cancellation notice of NE 4-23-14, W4th Mer. my pre-emption entry to hand. I have no defence to make. the Dom. Govt. can have it back with my compliments. I have not lived upon my homestead since 1910. All I accumulated on that desert was a bunch of debts, that under present conditions seem impossible to catch up with among them being the seed grain loan I got on the strength or security of the above pre-emption. I will pay for it when I can, but even irrigated farming under present conditions has not much on the dry belt, except that here we get regular. I am staying with it though, hoping that soon I will be able to clear up this and other debts I brought from across the river.

Beg to inform you that I have interviewed Mr. Hedley & endeavoured to collect without success Mr. Hedley apparently ~~takes~~ takes the view that the land has reverted to the Canadian Mortgage Assn. & that he should not be responsible.

I am strongly of the opinion that he should be in a position to pay at least part of the indebtedness, having only himself & wife to support but owns land telephone operator at Buchan & he having a real estate & insurance business in the town

Re. NE 4-23-14-4

An inspector who recently interviewed you in an endeavor to collect the amount of your seed grain indebtedness, has stated in his report that you maintain, as the land has reverted to the Canadian Mortgage Association, you should not be held responsible for this debt. The land that was furnished as security for the seed grain advance was the NE¼ of Section 4-23-14, W4th Meridian, with which land the Canadian Mortgage Association had no connection whatever. The seed grain was received and used by you, and this Department looks to you to liquidate the debt. As you appear to be in a position to make payment I must ask you to forward an amount sufficient to pay this account at an early date.

The account on the 31st of March last amounted to $352.84, and to this is to be added interest at the rate of seven per cent on the principal sum of $262.50 from that date to the date of payment.

It is noted that you were interviewed by one of our Inspectors about November, 1926, in regard to your outstanding seed grain indebtedness against this land, and from the evidence of a recent report no cultivation is being performed on the land.

You might be good enough to advise me as to your intentions towards liquidation of the outstanding indebtedness, and if it is your intention to protect your interest in connection with this land.

Dear Sirs

Your Inspector, Mr Tenpenny calls on me regular regarding a seed grain indebtedness which I incurred in 1919. This was advanced to me against my pre-emption the N.E. 4-23-14-4. The pre-emption I long since turned back to you but I have not been able to date to pay any part of the seed grain indebtedness. As a matter of fact I brought thousands of dollars of debts from there after wasting the 10 best years of my life. I am now selling insurance and am just managing to get by so it is hard to say when I will be able to do anything in this matter. If this will help Mr Tenpenny out with his reports which he says he has to make monthly there will be that much accomplished as he was quite provoked because I had not written you before.

Yours truly

Re - D. F. Halley

Your file No.18040.

Sir:

I beg to acknowledge receipt of your letter of the 17th ultimo, with which was forwarded Homestead Inspector W. Tempany's report.

I might state for your information that on the 13th August last Mr. Halley communicated with the Department as follows:-

> "Your Inspector, Mr. Tenpenny calls on me regular regarding a seed grain indebtedness which I incurred in 1919. This was advanced to me against my pre-emption the N.E.4-23-14-4. The pre-emption I long since turned back to you but I have not been able to date to pay any part of the seed grain indebtedness. I am now selling insurance and am just managing to get by so it is hard to say when I will be able to do anything in this matter. If this will help Mr. Tenpenny out with his reports which he says he has to make monthly there will be that much accomplished as he was quite provoked because I had not written you before."

As Mr. Halley appears to be in an unfavourable position financially to make any remittance in connection with his seed grain indebtedness, I am advising the Agent by copy of this communication that the case might be noted on his list for collection next year in the hope that Mr. Halley might be in a position to make some payment by that time.

Your obedient servant,

Re: Account of D.F. Halley
N.E. 4-23-14-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $262.50 was advanced to D.F. Halley on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 262.50	$ 586.47	$ 848.97

The N.E. 4-23-14-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 29th of November 1923 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 10th of July 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.
